Overview

In Concur, approval delegates are able to review and approve expense reports on behalf of another Approver.

This Guide provides instructions on how to approve an expense report as a delegate for someone else. Specifically, it will cover how to sign in as another Approver, a brief review of approving expense reports, and lastly, how to return to your own account.

Step 1: Sign in as a Delegate for Another Approver

1. Log into Concur under your account.
2. Click the **Profile** button at the top right.
3. Click the **Acting as Other User** drop-down menu and select the name of the person for whom you are acting as an approval delegate.

   **NOTE:** If you are a delegate for more than ten people, you will have to type the first few letters of the individual’s name to search for them in the drop-down. If an individual does not appear in your drop-down, it is usually because they have not yet assigned you as a delegate.

   For more information on how to assign a delegate, please refer to the **Assigning Approval Delegates** work instruction at travel.harvard.edu/concur-training.

4. Click **Start Session**.

When the screen refreshes, the Profile drop-down will change to “Acting as” followed by the individual’s name and the single person icon will change to two people, highlighted in green.
Step 2: Review Expense Report

NOTE: For detailed instructions on approving an expense report, please refer to the Approving an Expense Report work instructions located at: travel.harvard.edu/concur-training

   - Default account coding for the report
     - If necessary, account coding can be changed at the individual expense level.

2. In the popup box, give a clear description of the issue.
3. Click OK.

Approve
1. Click the Approve button
2. Read the agreement and click Accept or Decline.
3. Confirm the Approval Flow, and make any necessary changes.
